Land Boundary Agreement

1522. SHRI AMAR ROY PRADHAN : Will the Minister of HOME AFFAIRS be pleased to state :

(a) the outstanding issues relating to implementation of the Land Boundary Agreement with Pakistan/Bangladesh;

(b) the names of 23 Indian Enclaves found not exchangeable within Bangladesh;

(c) whether the problem of Exchange of Enclaves has been under the consideration of the Government since long;

(d) if so, the reasons therefor; and

(e) the time by which this problem is likely to be solved?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI MOHD. MAQBOOL DAR) : (a) to (e) The three outstanding issues pertaining to the India-Bangladesh Land Boundary Agreement, 1974 are : (i) exchange of enclaves; (ii) transfer of adverse possessions; and (iii) completion of boundary demarcation.

The division between India and the then East Pakistan, now Bangladesh, took place on the basis of Radcliffe Award which left some small enclaves belonging to India and East Pakistan/Bangladesh in each other's territory. As per information available with us, there were 11 non-exchangeable Indian enclaves in Bangladesh. The non-exchangeable enclaves stand for enclaves within enclaves, or areas which were earlier thought to be enclaves, but which after demarcation of boundary have become contiguous and thus are no longer enclaves.

The exchange of enclaves is directly linked to and will necessarily follow the demarcation of boundary with Bangladesh. The demarcation of about 41 kilometers of the Indo-Bangladesh land boundary is yet to be completed. Government propose to complete the task of demarcation of the boundary with Bangladesh with the cooperation of the concerned State Governments.
